NEWS RELEASE

CHAMPION BEAR ANNOUNCES ELECTION OF TWO NEW DIRECTORS

Calgary, Alberta – September 18, 2019 – Champion Bear Resources Ltd. (TSXV: CBA-V) ("Champion Bear" or the "Company") is pleased to announce that Christopher Gallagher and David Rivard were newly elected to the Company's Board at the Company's recently held annual shareholders' meeting.

"Chris and David are each senior professional exploration geologists and bring a wealth of on the ground operational and technical mining industry experience to Champion Bear and we are pleased to welcome them to the Board" commented Richard Kantor, Chairman and President, of the Company.

About Champion Bear

Champion Bear is a mineral exploration company focused exclusively on the historically prospective regions of Ontario. The Company's primary targets are platinum group metals, precious metals, and polymetallic base metals deposits. Champion Bear's aim is to create shareholder value through selective property acquisition followed by focused exploration emphasizing drilling. The Company has assembled a large land position in the Dryden and Sudbury areas, totaling over 16,000 hectares. Additional information about Champion Bear can be found on the Company's website at www.championbear.com and on SEDAR at www.sedar.com. For further information, please contact: Richard D. Kantor, Chairman and President of Champion Bear at phone: (403) 229-9522.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION:

This news release includes certain "forward-looking statements" under applicable Canadian securities legislation. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking statements. All statements that address future plans, activities, events, or developments that the Company believes, expects or anticipates will or may occur are forward-looking information, including statements regarding the potential development of resources and drilling plans which may or may not occur. Forward-looking statements and information contained herein are based on certain factors and assumptions regarding, among other things, the market price of the Company's securities, metal prices, exchange rates, taxation, the estimation, timing and amount of future exploration and development, capital and operating costs, the availability of financing, the receipt of regulatory approvals, environmental risks, title disputes, failure of plant, equipment or processes to operate as anticipated, accidents, labour disputes, claims and limitations on insurance coverage and other risks of the mining industry, changes in national and local government regulation of mining operations, and regulations and other matters. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
