NEWS RELEASE

CHAMPION BEAR ANNOUNCES EQUITY OFFERINGS

Calgary, Alberta (TSX Venture: CBA), July 14, 2008 - Champion Bear Resources Ltd. ("Champion Bear" or the "Company") announced today that it intends to complete the following private placements, subject to receipt of all applicable regulatory approvals:

- (i) up to 1,600,000 common shares of the Corporation at a price of \$0.50 per share for total gross proceeds of up to \$800,000; and
- (ii) up to 3,000,000 flow-through common shares of the Corporation at a price of \$0.60 per share for total gross proceeds of up to \$1,800,000.

Champion Bear intends to use the proceeds of the offerings for its exploration programs on its wholly-owned Eagle Rock Cu-Au-PGE Property located near Dryden, Ontario and its wholly-owned Iron Mask Property located in Sudbury, Ontario and for general corporate purposes. At the Eagle Rock Property, Champion Bear intends to undertake a resource definition exploration program which will include the diamond drilling of up to 10,000 metres. In the Sudbury area, work at Iron Mask includes the follow-up of recent IP anomalies which are coincident with surface outcroppings of Cu bearing Sudbury breccia by drilling three to five holes (up to 1,500 metres) to test the main targets and the completion of additional detailed surface surveys in the area. Joe Hinzer, P. Geo., a qualified person, of WGM, Champion Bear's consulting geologists, will be overseeing the exploration programs.

All of the common shares issuable under the shares for debt settlement and the private placements will be subject to a hold period of four months and one day from the closing date.

This news release shall not constitute an offer to sell or the solicitation of any offer to buy the securities in any jurisdiction. The securities offered have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the U.S. Securities Act.

Champion Bear is a mineral exploration company focused exclusively on the historically prospective regions of Ontario. The Company's primary target is platinum group and precious metals and to a lesser extent polymetallic base metal and pegmatite-hosted tantalum deposits. Champion Bear's aim is to create shareholder value through selective property acquisition and joint venture followed by focused exploration emphasizing drilling. The Company has assembled a large land position in the Dryden and Sudbury areas, totaling over 16,000 hectares.

This news release contains forward-looking statements concerning the timing and composition of the exploration programs to be completed on certain of Champion Bear's mineral properties which are based on Champion Bear's current internal expectations, which may prove to be incorrect. These statements are not a guarantee of future performance and undue reliance should not be placed on them. Such forward-looking statements necessarily involve known and unknown risks and uncertainties that are common to junior mineral exploration companies. These risks and uncertainties include, among other things, Champion Bear's need for additional funding to continue its exploration efforts, changes in general economic, market and business conditions; and competition for, among other things, capital and skilled personnel. The Company undertakes no obligation to update or revise any forward-looking statements except as required by applicable securities laws.
